# About This Product

This product contains 21 reading passages that target FLUENCY and COMPREHENSION.

They are offered in 2 versions for easy differentiation.

\*Version 1 is designed for the higher students

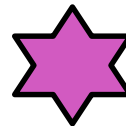

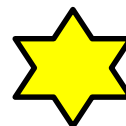

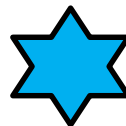

\*Version 2 is designed for the lower students

The students will have to:

- read the passage 3 times and color a star after each reading (for fluency)
- read each question, then color the sentence within the text that contains the answer
- write the answer in a complete sentence — only in version 1
- draw a picture (only in version 2)
